Registration: Seminar Flyer and Registration Form will be available soon.

We are very pleased to present the Third Annual Janice Gunn Smiling Blue Skies Fund Raiser and Competitive Obedience Seminar. Janice Gunn's name speaks for itself. She has been training dogs for 35 years and presenting seminars throughout Canada and the United States for over 15 years. She competes successfully in both countries, in obedience and field work. Janice has achieved multi 200 scores with 4 different dogs. She has earned over 225 High in Trials and is working on her 6th OTCH dog.

When one of Janice's dogs was diagnosed with cancer a few years ago, she met Suzi Beber, founder of the Smiling Blue Skies® Cancer Fund. Please visit www.smilingblueskies.com, to learn more about "the beginnings of Smiling Blue Skies, its support network and current projects, including Canada's first "Hemangiosarcoma Marker Validation Study." Janice was very touched by Suzi's dedication to Smiling Blue Skies and her support to help save her dog, Echo, who continues to thrive today! Echo's diagnosis paved the way to Janice's Fundraising Seminars, with ALL proceeds donated to the Smiling Blue Skies® Cancer Fund. We are very pleased to be able to continue this special tradition in Victoria, in 2010, with help from the Greater Victoria Dog Obedience Training Club.

Janice's seminar will focus on competitive obedience at all levels. Costs will be \$195 for a working spot and \$125 for a spectator spot. This year, we are planning to have a "Memorial Wall" and a "Wall of Troopers." The "Wall of Troopers" is for those dogs who have won their battle against cancer or any other chronic or acute health problem, or are fighting a health challenge right now. If your dog, or a dog you know, has travelled the winding road of illness, and you would like to honour the dog, by having the dog's name and/or photo placed on one of these special Walls, please send a \$25 donation, along with a photo of the dog and his/her story of their journey, to Judy Johnston, 172 Sandcliff Drive, Comox, BC. V9M 3W5. Please include

a self addressed and stamped envelope along with your donation, so that your photo can be returned to you. If you would prefer to send a digital photograph, it must be a minimum of 300 dpi. Please send your digital photo to Judy Johnston: judyatandrew@shaw.ca. Another highlight of our weekend event, will be a raffle, with some wonderful items for sale, with ALL proceeds donated to Smiling Blue Skies.
